## Front End Developer

An aspiring Front End Developer with good working knowledge in the field. Also, one year experience as a Full Stack Developer Intern at Web Cannon-Z, 3 months of experience as a Front End Developer Consultant at Open Financial Technologies and 1.2 years experience as an Analyst at First Source Limited.

## Experience

### Feb 2023 - May 2023

Open Financial Technologies | Bangalore, India

#### Front End Developer Consultant

- Built multiple front end applications using Angular, Typescript and Tailwind CSS.
- Ensured unique projects compiled with correct technology processes and company standards.
- Implemented front end technical solutions to meet project requirements for creation of new web pages.
- Worked in an agile, collaborative environment to receive design requirements.

### Feb 2021 - Mar 2022

First Source Limited | Bangalore, India

#### Analyst

- My primary role was in Quality Assurance, where I had to carry out due diligence review as per US Mortgage Norms.
- Reviewing the tax payments and verifying various types of legal documents.
- Using Box.com and Resware applications.
- Coordinating with QA's and Onshore team members for problem solving.

### Feb 2021 - Jan 2022

Web Cannon - Z | Bangalore, India

#### Full Stack Developer, Intern

- Built multiple Full Stack Application with MERN.
- Collaborated with back-end developers and web designers to improve usability.
- Ensured the technical feasibility of UI/UX design

## Course

### Apr 2022 - Aug 2022

Jspiders | Bangalore, India

#### Full Stack Developer (MERN Stack)

## Projects
